

Prescription via Tele-Consultation

It is for your understanding that teleconsultation has its limitation compared to in-person consultations. As in person consultations are not possible in this current situation, the patient has given an implied consent to tele-consultaion by requesting for an appointment and making an e-payment for the same.

Dr. Sanjay Salunke

Gastroenterology,

Regd No.48794

Date: 31/08/2020

Name: Ramkumar Rathi

Age: 21yrs
